

Dear Parents,

5th March 2018

As mentioned in our February Newsletter we are having a **Den Building Afternoon** on **Wednesday 14th March** for children in **Y1 up to Y6**.

We really hope you can join us for this and would like to invite you to arrive at school for a briefing at 1:15 where I will explain what will happen during the afternoon. You'll then head out into the school grounds to join your child or children and the building of Den Community Villages will begin.

**To make sure both you and the children are prepared for this we'd ask that your child has the following for the day:-**

- ✓ Clothes to change into for the afternoon – clothes you are happy for your child to get muddy
- ✓ A pair of wellingtons (if they've not already got a pair in school). This is vital as it is likely that the grass will be muddy in places.
- ✓ Gloves, hat and scarf
- ✓ An old coat – again – it may get muddy so please make sure they've not got a good coat in school today

You will also need to come in old, warm clothes and bring a pair of wellingtons to change in to. Gloves would be useful too.

It should be a fun afternoon and we hope you can join your child/ren for this new venture.

Many thanks.

Kay Hemmings
